This is a Protection Seal which ensures easy and stable installation of New Mini Tag to the merchandise of cylindrical shape, such as Camera Replacement Lens, Beauty Treatment Device, Hairdressing Equipment, etc.

1. Pass a cable of Tag to a hole of Protection Seal through a slit.

2. Remove backing paper on the center of Protection Seal (A) and securely install New Mini Tag.

3. Remove backing paper of both sides of Protection Seal (B & C) and securely place on the merchandise.

**NOTE**

- Use genuine Double Sided Adhesive Tape for Chaser New Mini Tag Protection Seal.

- Merchandise with rough installation surface and of special materials such as Polyurethane, Rubber, etc. may possibly fail in firm attachment.

- Utility Model Registration Applied
